Chairman's Notes

A very warm welcome to our Spring Production.

We have again decided to present a varied programme instead of a full length production.

To mark the centenary of Dylan Thomas's birth we will be presenting extracts from Under Milk Wood.

We are delighted that the evening will end with the premiere of "You Gotta Have A Dream" written and directed by our own Ivy Thompson.

Making their playing debuts for us are Stuart Broad and Non Jenkins. We hope this is the first of many performances for us.

I have to thank the casts and my fellow directors for all their hard work and the Vicar and Churchwardens of St Theodores for again allowing us to use the Church Hall.

Sadly, this is the first production since the passing of our friend and life member Carol Mends. As many of you know, Carol was an invaluable member of the Society, serving as ticket and patron Secretary for many years. She is sorely missed by all of us.

Finally, a big thank you for your continued loyal support and for helping to keep live theatre in the Town.

So please sit back, relax and enjoy the performances.

Hugh Jarrett
