## **Director's Notes**

Welcome to what could well be a rather dangerous evening! Mortimer Crayle, the crusty old lawyer and his secretary Zoe, have gathered the last remaining Tomb family members at the old house, to inform them about their inheritance. But Crayle has designs on the inheritance which demand the death of all Tombs. Fog descends on the gloomy mansion and in the cobwebby corridors, things — and people — are seldom what they seem. With poison in every decanter and mysterious disappearances into secret passageways, hosts and guests alike join the increasing number of bodies in the cellar. A glorious spoof which I hope will keep you entertained.

We are delighted to welcome a new member, Jayne de Villiers who has proved a joy to work with and an asset to the society. We hope she will continue to delight us for many years to come.

My thanks as always to the cast and crew for their hard work and enthusiasm. *Carol Scott*
